Cover Story

39 **The Rage to Specialize**
Even before the recession made the marketplace a competitive battleground, distributors were eyeing specialization to capture the edge.

Feature Articles

45 **Hotline**/Distributors vocal about candidates and small business

49 **Material Handling Review:** *ID*'s national state-of-the-industry poll one year after publication of its Material Handling SHOWCASE shows sales of material handling products keeping pace with the upturn.

53 **Strictly for Salesmen** . . . Little things mean a lot

55 **Gauging Inventories:** Badly overstocked during the recession, distributors are opting for lean inventories, risking running short. Today, gauging inventories remains their thorniest problem.
